WE HAD GREAT AUDIENCE

The 8th Embassy Tennis Turkey Tournament organized on the 7th-8th and 14th-15th of October 2017 within Ankara Tennis Club Court hosted by Çınar & Çınar and the Embassy of the Grand Duchy Luxembourg, had a great audience from different nationalities. It was a meeting point for many cultures. We had a wonderful tournament, had the opportunity to share many great memories and build close relationships between all participants.

WE BECAME A BIG FAMILY

During 4 exciting days, we shared our joy, our time and our dreams with each other. And all these shares made us a family.

- We watched the games together,

WE HAD INTENSE MATCHES

We had intense matches in Woman/Men Single, Woman/Men Double, Junior, mixed double and consolation categories. The final matches played on 15 October in Ankara Tennis Club Courts. As we could observe in the matches, there is no age or race to play tennis; it's not a "hard" but a "heart" work.

On the first photo we see H.E. Georges Faber while playing his final match in Men's Single A Category with Mr. Lucas Krasowski as seen on the second photo.

On the third photo; Ms. Sinem Alptekin one of the lawyers of çınar & çınar swept the court with her performance!
